

**YOUNGTOWN ROTARY'S
ELDERLY
CHRISTMAS
GIFT BOX
APPEAL**

Christmas is a time of joy for most us fortunate enough to friends and family close.

Unfortunately, this is not always the case for many residents in retirement villages, nursing homes and aged care facilities.

The Youngtown Rotary Club Elderly Christmas Gift Box Appeal provides a small thoughtful collection of items, packed neatly in a festive box to those in local aged care facilities facing Christmas alone.

Each box contains small items, such as toiletries, puzzle books, pens, warm socks, gloves, hats the list is endless (please, due to dietary requirements, we cannot accept food).

Youngtown Rotary is asking for your assistance with either items that can be included in the boxes, vouchers that can be used to purchase essential gifts for the elderly residents, or a collection bin in-store to collect generous donations from our community.

Help Youngtown Rotary ensure Christmas is special for those less fortunate. Contact the Community Service Director on 0412240190 for more information.
